

## Consommables ACCUSTREAM TETES DE DECOUPE

### Têtes de découpe Dialine assemblées

| Référence        | Description                                |
|------------------|--------------------------------------------|
| RSAC13904 -2-1-1 | .281 Dialine, 3/8" Inlet, Standard Nut     |
| RSAC13904 -2-1-2 | .281Dialine, 3/8" Inlet, 3" Nozzle w/guard |

### Pièces de rechange têtes de découpe Dialine

#### CORPS ABRASIF

| Référence | Description            |
|-----------|------------------------|
| RSAC12747 | Dialine Mixing Chamber |
| RSAC12750 | .281 Abrasive Body     |
| RSAC12836 | Dialine Set Screw      |

#### RACCORD ABRASIF

| Référence | Description          |
|-----------|----------------------|
| RSAC12752 | 3/8" Abrasive Inlet  |
| RSAC13820 | 3/16" Abrasive Inlet |

#### ECROU CANON

| Référence | Description                                     |
|-----------|-------------------------------------------------|
| RSAC12751 | .281 Standard Nut (not accept RSAC13727)        |
| RSAC13632 | .281, 3" Nozzle Nut (use with 3", .281 nozzles) |

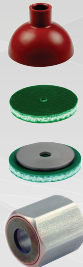

#### ADAPTATEUR

| Référence | Description                                                       |
|-----------|-------------------------------------------------------------------|
| RSAC13730 | Short Swivel Adapter (OAL 2.315")                                 |
| RSAC13841 | Dialine Medium Swivel Adapter (OAL 3.395")                        |
| RSAC13839 | Long Swivel Adapter (OAL 4.985")                                  |
| RSAC14321 | Dialine Water Only Conversion Kit                                 |
| RSAC14233 | Dialine Water Only Adapter                                        |
| RSAC14232 | Dialine Water Only Seat                                           |
| RSAC11299 | Dialine Water Only Nut (use RSAC12835 or RSAC12749 orifices only) |

Pièces de rechange têtes de découpe Dialine

| PROTECTION TETE DE DECOUPE |                                                                      |
|----------------------------|----------------------------------------------------------------------|
| Référence                  | Description                                                          |
| RSAC13727                  | Coned Rubber Splash Guard (use with RSAC13632, RSAC13849, RSAC12848) |
| RSAC11361                  | Rubber Splash Guard                                                  |
| RSAC11362                  | Carbide Splash Guard                                                 |
| RSAC13198                  | Carbide nut                                                          |

| COLLIERS ET JOINTS |                      |
|--------------------|----------------------|
| Référence          | Description          |
| RSAC11357          | Dialine Collet .281  |
| RSAC11679-216      | Dialine O-Ring       |
| RSAC11679-012      | Dialine Inlet O-Ring |

Actionneurs et vannes de décharge

| ACTIONNEURS TETES DE DECOUPE |                                     |
|------------------------------|-------------------------------------|
